29, 9th Av Gonubie East
London

Objective I am optimistic about every opportunity I receive, and I am eager to demonstrate my abilities to help the company progress. I look forward to discussing my expertise and what I can contribute to this wonderful organization.

Education Milton Mbekela S.S.S
Umtata, Qunu
Grade 12
Matric Certificate

Walter Sisulu University
East London, Potsdam campus
Dip in ICT App Dev
Diploma

Key Skills	Attention to Detail Project management Flexibility	Communication Problem-Solving Team Collaboration
-------------------	--	--

Experience I have excelled as a System Software Tutor for the past two years, first at Walter Sisulu University and for FASSET-funded WSU program, preparing lessons, delivering lectures, and supporting software troubleshooting. I also recently worked as a Night Stock Handler at Makro for Retail Solutions in May 2025.

May 2023 - Nov 2023 PEER ASSISTANT LEARNER(PAL) Walter Sisulu University	May 2024 - November 2024. FASSET Tutor Walter Sisulu University	April 2025 - May 2025 Night Stock Handler Retail Solution / Makro
---	--	--

Communication Implemented new procedures and some new lesson strategies that improved efficiency and streamlined operations.

Leadership Successfully, I and the lecture improved the results of the module.
